

. . . B L O O D . T W I N . . .

(pronounced "blood twin" – the dot is silent)

[ANONYMOUS INDEPENDENT SOLO RECORDING ARTIST]

London, England, United Kingdom

"My music can travel to the places I cannot." – blood.twin

Made for club systems, dark subcultural airwaves and late-night frequency rotation.

ENTITY

A Post-Punk blend of:
Gothic Rock / Darkwave / Deathrock / Coldwave / Industrial / Dark Electro / EBM

Music and visual identity are developed as a single body of work – forming a cohesive audiovisual world inspired by nocturnal spaces, analogue decay and underground culture.

Every release is written, recorded, produced and self-released through dOnt.freak.Out Records – a label with a roster of one.

AT A GLANCE

- Editorial radio support from 85+ stations worldwide
- 1,376+ confirmed radio spins
- 54,000+ lifetime streams
- Spotify algorithmic support through Release Radar, Radio, Daylist and Mixes, alongside independent gothic, darkwave and post-punk playlists.

INTERNATIONAL REACH: The strongest audiences are centred in the United States, Germany, the United Kingdom and Spain.

SELECTED PRESS

"The Sisters Of Mercy on acid."
– Rock Radio UK

"Chillingly intense."
– Revista The 13th

"A mystery. Steeped in dark romanticism... cinematic... dense, atmospheric synth work."
– Other Voices
